The University Coat of Arms

In June 1994, His Excellency the Right Honourable Ramon John Hnatyshyn, Governor General of Canada, presented the University of Alberta with its Coat of Arms. The full Coat of Arms is displayed at ceremonial occasions such as Convocation, and is used by the Chancellor, the titular head of the University.

On the shield is a representation of the topography of Alberta rendered in the colors of the University. At the base is a prairie wheat field symbolizing Alberta's agricultural industry. The wavy gold line above suggests the hills and rivers of Alberta and, in particular, the setting of the University campus. The top of the shield is in gold and separated from the rest of the shield by a line suggesting the Rocky Mountains. The book of learning dominates the design.

On the crest is a Grand-Duc d'Amérique, or Great Horned Owl, the provincial bird and an accepted symbol of knowledge. The Pronghorn, taken from the Provincial Coat of Arms, and the golden bear, mascot of the University support the shield. Both wear collars of the University colors, as does the owl. At the base of the coat of arms is a grassy mound with wild roses, the floral emblem of Alberta with the University's motto: *Quaecumque vera ("Whatsoever things are true").*

Please Note: The Jubilee Auditorium is a "smoke-free" facility.

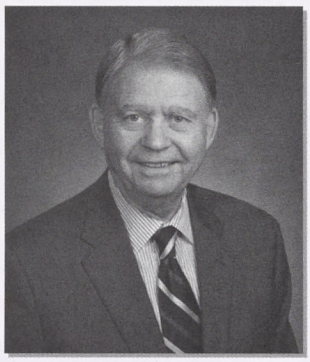

The list of candidates for degrees, diplomas, and certificates appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information presented is current as of the program printing deadline.

Photographs may be taken during the ceremony, but we ask that photographers do not approach the stage area and ensure that aisles and stairways are kept clear.

Greetings to the Graduates

Welcome to your convocation!

Convocation is an ancient academic tradition and today we gather to celebrate one of life's great milestones. Your education and graduation are a very important part of our community's hopes for the future.

Your achievement here at the University of Alberta will be a foundation for your success in future endeavours. Your graduation today continues your lifelong quest for learning and truth.

Congratulations and very best wishes for this day and always.

Ralph B. Young
Chancellor

Congratulations to the University of Alberta's class of 2013! Today, on this very special occasion, you join a very special group of more than 275,000 proud alumni worldwide.

The U of A takes pride in your achievements—achievements through considerable investments of time and effort—your degree is a recognition of your accomplishments and the successful outcome of years of study, intellectual growth and personal discovery.

Wherever the next step of your journey may take you, your connection to your alma mater will endure. Throughout your life, remember and be guided by the values we hold dear to this institution. When our first president, Henry Marshall Tory, founded this university, he upheld two ideals: first, that the modern university should be for the "uplifting of the whole people," and second, that we should pursue whatsoever things are true: quaecumque vera. With these two ideals as your beacon, I urge you to follow the lead of thousands of U of A alumni, and with truth and integrity, use your gifts to uplift, build and serve society.

Indira V. Samarasekera, O.C.
President and Vice-Chancellor

On behalf of the Govemment of Alberta, it is my pleasure to extend my sincere congratulations to the University of Alberta's 2013 graduating class.

Through your proficiency, hard work and perseverance you have reached one of the most important milestones in your life.

You have successfully graduated from a world-class university with a strong legacy of producing leaders in everything from the arts and sciences to business and education.

As you celebrate this personal and professional achievement with your family, classmates and colleagues, you are also celebrating the values that characterize Albertans-hard work, enthusiasm and dedication. Albertans like you have helped build a better province that future generations will be proud to call home. I hope that the passion and focus displayed in your educational endeavours will continue well into the future.

Congratulations once again to all the graduates, and best wishes for much future success.

Honourable Alison M. Redford, QC
Premier of Alberta

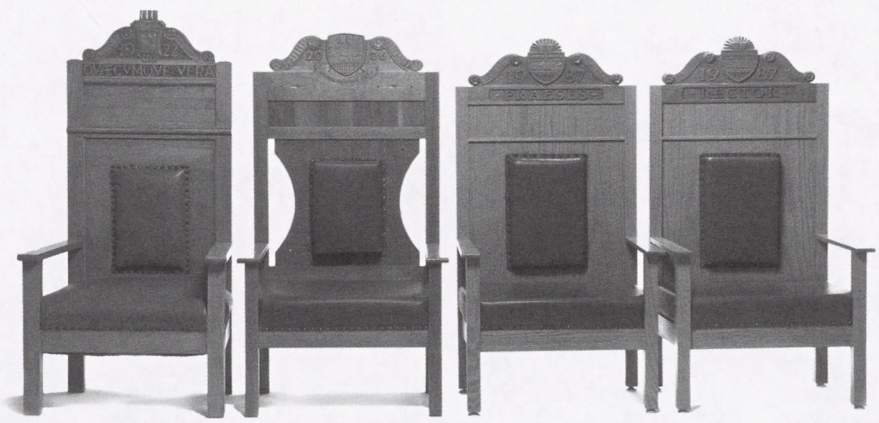

Our Traditions

The University Ceremonial Chairs

The Chancellor's Chair was presented to the University of Alberta as a gift from the 1922 graduating class. It is made of solid oak with a padded leather back and seat. Above the padded-leather back is carved the University motto *Quaecumque Vera* together with the class year, 1922, and the University emblem.

In 1987, the family and friends of Dr. Charles Malcolm Macleod, Chair of the Board of Governors from 1950 to 1966, presented a memorial gift to the University of two additional chairs for use by the President and the Chair of the Board of Governors at Convocation.

In 2006, a fourth chair was donated in memory and honor of Lois Elsa Hole, beloved Chancellor (1998 – 2000) and Lieutenant Governor (2000 – 2005), by Earl Evaniew, Sandra Kereliuk and their daughter Jennifer. This chair becomes part of the seating arrangements on stage, when the Lieutenant Governor or other high profile dignitaries attend the convocation ceremonies.

University Ceremonial Chairs

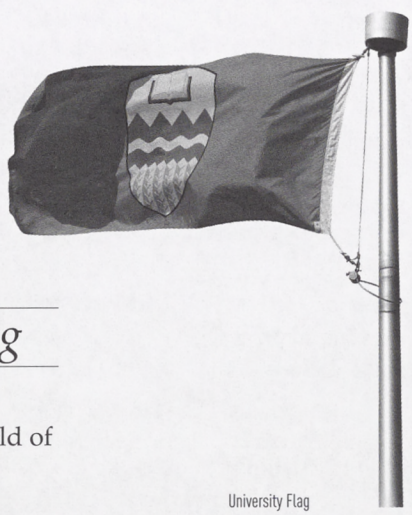

The University Mace

The University of Alberta Mace was designed and crafted specifically for the University as a gift from Dr. Francis Phillip Galbraith, Chancellor of the University of Alberta from 1964 – 1970. It was presented by his son, Michael Galbraith, on behalf of his father on 26 May 1970.

Among its elements are: the Star of Saint Thomas Aquinas, the Patron Saint of Scholars; the Wild Rose of Alberta; the Maple Leaf; and the separate charges which make up the University's Emblem. The University motto encircles the staff.

The ceremonial stand for the Mace was donated in 1987 as a memorial gift by family and friends of Dr. Charles Malcolm Macleod, Chair of the Board of Governors 1950 – 1966.

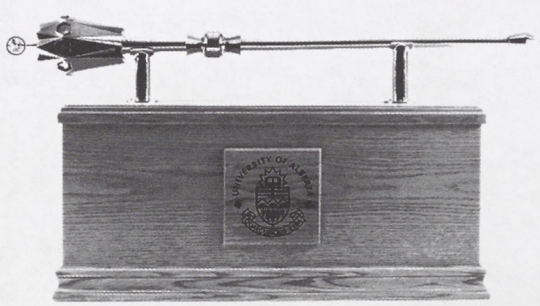

The Mace is carried before the Chancellor, or Vice-Chancellor, in procession and rests on its stand in full view of the assembly during Convocation. Centuries ago the Mace was a symbol of authority over life and death. Today it represents power—but the power of knowledge and the importance of the University in the community.

The University of Alberta Cheer Song

Ring out a cheer for our Alberta
A song of praise to Varsity.
For the splendour of our mountains
Our prairies green and gold.
Ranked beneath whose glowing colours,
Thy legions march enrolled.
Our memories will live forever
Beloved University.
We will fight for thee and cheer
And ever hold thine honour dear.
Our Alma Mater U of A
Green and gold! Quaecumque vera!
Guide us through each coming era,
Guide us on through battle gory
To a new and greater glory.

Convocation

Today's ceremony stems from the medieval tradition. The procession of the guild of teachers, whose solemn assembly, or convocation, is the modern equivalent of the medieval magna congregatio of all Faculties. It is led by the Chancellor and the Chief Marshal carrying the mace, the symbol of the University's corporate authority. The academic gowns, hoods and caps declare, in their various designs and colors, the academic qualifications of the Faculty. The citations and presentations by the Faculty to the Chancellor attest to him and to society the degree of proficiency attained by the students of the University. There follows a visible and public act whereby the universitas magistrorum, acting through its Chancellor, confers upon the students the appropriate degree. It is the act, not a certificate, which constitutes the validity of the degree bestowed. The words "I admit you" and the placing of the students' hands within the hands of the Chancellor and his associates, bind the students in the appropriate degree to the universitas magistrorum. The students thereafter bear for all time the mark of their association with this University. They have received what the University has been and presently is. Because they bear in themselves the promise of the future, they are what the University hopes to be. Despite its solemnity, convocation is a joyous occasion.

Academic dress at the University of Alberta generally follows the tradition of Cambridge University in the design of the gown, and that of Oxford University in the design of the hood. See Academic Dress on page 80 for a detailed description of ceremonial colors.

Conferring of Degrees

The Presentation

The Senior Dean presents the candidates for degrees with these words:

"Eminent Chancellor and President, on behalf of the Faculties, I present to you these scholars and ask that they be pledged and admitted to the degrees to which they are entitled."

The Pledge

The President then addresses the candidates in these words:

"Do you promise faithfully to observe and loyally to maintain the statutes, customs, privileges, and liberties of this, your University? Do you solemnly promise to conduct yourself in all things loyally and faithfully to the honour of your University, the encouragement of learning, and the good of your country?"

Each candidate replies:

"These things I pledge myself to do."

The Admission

The Chancellor then addresses the candidates in these words:

"By virtue of the authority vested in me by the Legislature of this Province and with the consent of this University, I admit you to the degrees to which you are entitled, and invest you with all the powers, rights, and privileges pertaining to such degrees. I charge you to use them for the uplifting of the whole people; to inspire the human spirit; for all who believe, to serve your God; and to pursue more steadfastly whatsoever things are true."

The graduates remain in their places.

Honorary Degree Recipient

CONGRATULATIONS

Sharon Butala

Sharon Butala's writing offers understated accounts of ordinary lives, lived with integrity and an inner conviction of the rightness of a life on the land in harmony with nature.

She was born in an outpost hospital in Nipawin, Saskatchewan, the second oldest of five daughters. After living the first four years of her life in wilderness, her family moved to a succession of small towns and then to Saskatoon when she was thirteen. She earned a BA degree with a major in Art, a BEd degree with a major in English and a post-graduate diploma in Special Education, all from the University of Saskatchewan.

In 1976 she married Peter Butala and moved to his ranch in the extreme southwest corner of Saskatchewan where they lived for over thirty years. In 1996 they turned the ranch over to the Nature Conservancy of Canada and it is now The Old Man On His Back Prairie and Heritage Conservation Area. They received five conservation awards, both national and provincial, for this endeavour.

Ms. Butala was one of the founders of the Eastend Arts Council, and played a lead role in the establishment of the Wallace Stegner House, a retreat centre for artists from all over Canada and the United States.

She began writing about 1978 although dates the beginning of her career as a writer to 1949 when she wrote her first, unpublished novel, which was read by nobody but her mother. Since those days, she has published six novels, three short story collections, five works of non-fiction and two books in collaboration with photographers. She has had five plays produced (only Rodeo Life has been published) and has published articles and essays in magazines and newspapers across the country and in the United States. Her subject has been for the most part the life of the rural agricultural person in Western Canada, the women in particular, and also our natural world.

Ms. Butala has been shortlisted for the Governor General's Award for both fiction and non-fiction and also shortlisted for the Commonwealth Writers' Prize for fiction. Four of her non-fiction books were on Canadian bestseller lists, with The Perfection of the Morning: An Apprenticeship in Nature listed for a full year. Her journalism has earned her three Western Magazine Awards and two Honourable Mentions in the National Magazine Awards, where she also won a Silver Award for short fiction.

She has twice won Saskatchewan Book Awards' firsts, and an Author's Award for fiction for Fever, among other awards and prizes. An Officer of the Order of Canada since 2002, in 1998 she received the Marian Engel Prize, in 2009 the Saskatchewan Order of Merit and in 2012 the Kloppenburg Award for Literary Achievement.

Ms. Butala has done readings across Canada, in the United States, Mexico, the Czech Republic and Ireland. She has given lectures and taught writing workshops from New Brunswick to Vancouver, and has participated in most of the literary festivals in Canada. She is currently working on a novel about a woman from Quebec settling in the then North-West Territories in the 1880s.

Sharon Butala's contributions to Canadian arts and letters are original, important and enduring.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Ms. Sharon Butala:

Frank Yeigh. ***Through the Heart of Canada.*** *Toronto: Henry Frowde, 1910.*

From the dust jacket we learn that this book "may be described as a series of pen-pictures of Canada and its people." Frank Yeigh (1860–1935) was a Canadian civil servant, world traveler, lecturer, and statistical authority on all things Canadian, a reputation he cemented with the publication of his popular booklet, 5000 Facts about Canada (1915). The author begins his travelogue in Nova Scotia and crosses the country to the southern coast of British Columbia; the chapter entitled "The Land of the Rancher" is especially evocative of the sights and sounds of Alberta, "the great ranching province of Canada." The description includes rich detail about the life of the rancher: "An Alberta round-up forms a most interesting prairie picture. Dozens of ranching helpers are present, each booted and spurred, and wearing the inevitable slouch hat, and a serviceable suit of clothes. … For the first few nights after the cattle are corralled, and especially after the calves are weaned, it is said that no one is able to sleep within a hundred miles of the spot, with both mothers and calves bellowing mightily and incessantly" (221). This first edition copy features nearly forty photographs of Canada's natural splendours and national life.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically.

Honorary Degree Recipient

CONGRATULATIONS

Honourable Catherine A. Fraser

The Honourable Catherine Anne Fraser was appointed Chief Justice of Alberta in 1992, the first woman to be appointed chief justice of a Canadian province.

Born in Campbellton, New Brunswick, she graduated from the University of Alberta Faculty of Law in 1970 as the Silver Medalist and received her Master of Laws from the London School of Economics and Political Science in 1972. She was admitted to the Alberta Bar in 1971 and appointed Queen's Counsel in 1983. Chief Justice Fraser practiced law in Edmonton, concentrating on corporate and commercial law. She also served as Chair of the Alberta Public Service Employee Relations Board.

Chief Justice Fraser's judicial career began in 1989 with her appointment to the Queen's Bench. She was elevated to the Court of Appeal in 1991 and appointed Chief Justice of Alberta and Chief Justice of the Court of Appeal of the Northwest Territories the following year. On the creation of Nunavut in 1999, she was appointed Chief Justice of the Court of Appeal of Nunavut.

Chief Justice Fraser has been a member of the Canadian Judicial Council since her appointment as Chief Justice in 1992 and has served in many roles including Chair of the Council's Education Committee for two terms. As a member of the Council's Special Committee on Equality in the Courts, she played a leadership role in the Council's decision to endorse judicial education programs for Canadian judges on social context issues including gender equality, racial and ethnic equity and Aboriginal justice. Chief Justice Fraser also served as a member of the Board of Governors of the National Judicial Institute from 2004 to 2008.

She has been a long-time proponent of reform of court administration in Canada. Her primary message is that modernizing the governance model for court administration will foster systemic reform and improve responsiveness and accountability to the public. She was directly involved in the preparation of two reports issued by the Council on this subject, *Alternative Models of Court Administration*, September 2006 and *Administering Justice for the Public*, November 2007. Her Court was the first in Canada to hear an appeal using an electronic record, a practice taken for granted today.

The dominant theme of the career of Chief Justice Fraser has been her devotion to the rule of law, constitutionalism, access to equal justice and the protection of rights and freedoms for all individuals. She recognizes that judicial independence and judicial accountability go hand in hand in preserving public confidence in the delivery of justice. In her judgments and other writings, she has sought to have the reality of people's lives openly acknowledged and translated into real justice.

Over the past two decades, Chief Justice Fraser has also advocated for the rule of law, judicial independence and human rights internationally. She has been involved in judicial education initiatives in Australia, New Zealand, England, India, Pakistan, Sri Lanka, Serbia, Croatia, Taiwan, Zimbabwe and most recently, the Palestinian Territories. She has worked with judges from many of these countries and spoken and written on a wide range of topics including human rights, judicial independence and the rule of law, the application of international instruments to domestic law, the evolution of equality jurisprudence, domestic violence and juvenile justice.

An independent judiciary protects our constitutional rights. Throughout her judicial career, Chief Justice Fraser has manifested that independence in defence of the rule of law in our free and democratic society.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Chief Justice Catherine A. Fraser:

***The Kings Maiesties Declaration to His Subiects, Concerning Lawfull Sports to Bee Vsed**. London: Robert Baker, 1633.*

This declaration, first issued by King James I in 1617, was reissued by King Charles I in 1633 with a new introduction and conclusion. A product of complex struggles among religious and legislative authorities, the declaration condemns Puritan principles and condones particular recreations "upon Sundayes after Evening Prayers ended, and upon Holy dayes" on the grounds that such recreations would help to avoid discontentment and drunkenness among the common people, and "make their bodies more able for Warre." Curiously, lawful recreations listed for men include dancing, archery, leaping, and vaulting, while lawful recreations for women include dancing and decorating the church with rushes. All such recreations are specifically prohibited for those who are unworthy because they "abstaine from comming to Church." Also prohibited by law, "at all times in the meaner sort of people," is bowling

Congratulations Graduates

National Anthem
O Canada! Our home and native land!
True patriot love in all thy sons command.
Car ton bras sait porter l'épée, (With glowing hearts we see thee rise)
Il sait porter la croix! (The True North strong and free)
Ton histoire est une épopée (From far and wide, O Canada)
Des plus brillants exploits. (We stand on guard for thee)
God keep our land glorious and free!
O Canada! We stand on guard for thee.
O Canada! We stand on guard for thee.

Honorary Degree Recipient

CONGRATULATIONS

Deepa Mehta

As a filmmaker, Deepa Mehta has been described as a "transnational artist" whose work is highly regarded for its beauty and honesty.

Ms. Mehta was born in India and received a degree in philosophy from the University of New Delhi. Before immigrating to Canada, she began her career making documentaries in India.

In 1991, her first feature film *Sam & Me* won Honourable Mention in the Camera d'Or section of the Cannes Film Festival. In 1992, she directed two episodes of the *Young Indiana Jones Chronicles*, produced by George Lucas for ABC, followed by her second feature, *Camilla*, a Canada-UK co-production starring Jessica Tandy and Bridget Fonda.

Her 2002 movie *Bollywood/Hollywood*, a subversive comedy about two mismatched lovers, was a box office hit and remains one of the top 10 grossing English Canadian movies.

Fire is the first film in Ms. Mehta's Elemental Trilogy. It opened Perspective Canada at the 1996 Toronto International Film Festival, played at the New York Film Festival and won awards at other international festivals. *Fire* is a love story between two women; its subject matter made its release in India highly controversial, resulting in the trashing of theatres and attacks on audiences. In 1998 Ms. Mehta wrote and directed *Earth*, an adaptation of *Cracking India*, Bapsi Sidhwa's acclaimed novel about the anguish caused by the partition of India. *Earth* is the second film in the Elemental Trilogy: *Fire*, *Earth*, *Water*.

Water is a hauntingly tragic story about an eight-year old child widow who is forced to enter a house of widows – for the rest of her life. The film was to shoot in India, but riots, burnt sets and death threats against the director and actors forced the film to stop production. Four years later the movie was successfully remounted and shot in Sri Lanka. *Water* was the Opening Night film at the 2005 Toronto International Film Festival. In 2006, *Water* received an Academy Award nomination in the Best Foreign Film category.

In 2006 Ms. Mehta made a documentary about domestic violence in immigrant families called *Let's Talk About It*. She followed the documentary with a feature film, *Heaven on Earth* that explores isolation, arranged marriages and the power of imagination.

Her latest movie is an adaptation of Salman Rushdie's acclaimed novel Midnight's Children — the winner of three Booker prizes. With 127 speaking parts over five distinct time periods in India from 1917 to 1977, the movie was released in 52 countries and has screened at the Telluride Film Festival, Toronto International Film Festival, Vancouver Film Festival and the BFI London Film Festival.

Ms. Mehta has received numerous awards and honours, including the Life of Distinction Award from the Canadian Centre for Diversity, the Excellence in the Arts Award from the Canadian Civil Liberties Association and the Woman of Distinction, President's Award from the YWCA.

Named one of Canada's Top 100 most powerful women in 2011, Ms. Mehta also received the 2012 Governor General's Performing Arts Award for Lifetime Artistic Achievement (Film).

Known for telling universally meaningful stories, Deepa Mehta is an artist of uncompromising integrity.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Ms. Deepa Mehta:

G.S. Dutt. ***A Woman of India: Being the Life of Saroj Nalini (Founder of the Women's Institute Movement in India).*** *London: Hogarth Press, 1929.*

This charming book will make a wonderful addition to the library's collection of books published by Leonard and Virginia Woolf at the Hogarth Press, and it is a fitting tribute to a woman whose life and work were an inspiration to so many. In his introduction to the book, C.F. Andrews notes that the "real greatness of Saroj Nalini's influence consisted in this, that while fully appreciating the necessity of the change which had to be made in woman's life in Bengal, she understood at the same time the unique value of the old social life of the past, which had a singular beauty of its own... The understanding of both East and West came naturally to her. She had not to force herself either one way or the other. For in her own nature she possessed the active temperament of the West side by side with the more meditative temperament of the East." In the foreword to the Bengali edition of this book, Nobel prize-winning poet Rabindranath Tagore speaks movingly of the "treasures of the storehouses of memory" which now reside in books such as this one.

AFTERNOON CEREMONY, 3:00 PM

Presiding
The Chancellor
Ralph B. Young

Musical Prelude
Music is provided by the University of Alberta Convocation Band under the direction of Dr. Thomas Dust, BSc, BEd, MM, DME. Vocal accompaniment is by Gianna Read, a graduand in the Faculty of Arts. Please remain seated during the prelude.

Ceremonial Procession
Following the University of Alberta Cheer Song, the band will play a drum roll and the opening bars of the processional to signal the arrival of the Chancellor and other members of the Platform Party.

Members of the procession enter the auditorium in the following order:

Chief Marshal and Mace Bearer
Marshals
Chancellor
Chair of the Board of Governors
President and Vice-Chancellor
Government Minister
Vice-Presidents
Honorary Graduand and Presenter
Honorary Doctors of the University
Alumni Association Officer
Deans of the Faculties
Registrar
Assistant Registrar
Members of the Judiciary
Governors of the University
Senators of the University
Representatives of Governments
Representatives of Postsecondary Institutions
Faculty of the University

National Anthem
O Canada! Our home and native land!
True patriot love in all thy sons command.
Car ton bras sait porter l'épée, (With glowing hearts we see thee rise)
Il sait porter la croix! (The True North strong and free)
Ton histoire est une épopée (From far and wide, O Canada)
Des plus brillants exploits. (We stand on guard for thee)
God keep our land glorious and free!
O Canada! We stand on guard for thee.
O Canada! We stand on guard for thee.

Invocation
Mr. Ralph B. Young
Chancellor

Concluding Remarks
Mr. Ralph B. Young

Recession
Members of the audience are requested to remain at their places until the Platform Party and the graduates have recessed.

Those graduates who would like a photograph with the Chancellor may meet him in the east end of the main floor foyer by the Special Collections display. The Chancellor will be available for approximately twenty minutes following the conclusion of the ceremony.

Commemorative Videos of your Convocation Ceremony are available for purchase on DVD; please go to **www.registrar.ualberta.ca/memorabilia**.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

Order of Ceremonies, June 6

MORNING CEREMONY, 10:00 AM

Presiding
The Chancellor
Ralph B. Young

Musical Prelude
Music is provided by the University of Alberta Convocation Band under the direction of Dr. Thomas Dust, BSc, BEd, MM, DME. Vocal accompaniment is by Gianna Read, a graduate from the Faculty of Arts. Please remain seated during the prelude.

Ceremonial Procession
Following the University of Alberta Cheer Song, the band will play a drum roll and the opening bars of the processional to signal the arrival of the Chancellor and other members of the Platform Party.

Members of the procession enter the auditorium in the following order:

Chief Marshal and Mace Bearer
Marshals
Chancellor
Chair of the Board of Governors
President and Vice-Chancellor
Government Minister
Vice-Presidents
Honorary Graduand and Presenter
Honorary Doctors of the University
Alumni Association Officer
Deans of the Faculties
Registrar
Assistant Registrar
Members of the Judiciary
Governors of the University
Senators of the University
Representatives of Governments
Representatives of Postsecondary Institutions
Faculty of the University

National Anthem
O Canada! Our home and native land!
True patriot love in all thy sons command.
Car ton bras sait porter l'épée, (With glowing hearts we see thee rise)
Il sait porter la croix! (The True North strong and free)
Ton histoire est une épopée (From far and wide, O Canada)
Des plus brillants exploits. (We stand on guard for thee)
God keep our land glorious and free!
O Canada! We stand on guard for thee.
O Canada! We stand on guard for thee.

Invocation
Mr. Ralph B. Young
Chancellor

Welcome to the University
Mr. Ralph B. Young

Board of Governors Greetings
Mr. Bernd Reuscher

Concluding Remarks

Mr. Ralph B. Young

Recession

Members of the audience are requested to remain at their places until the Platform Party and the graduates have recessed.

Those graduates who would like a photograph with the Chancellor may meet him in the east end of the main floor foyer by the Special Collections display. The Chancellor will be available for approximately twenty minutes following the conclusion of the ceremony.

Commemorative Videos of your Convocation Ceremony are available for purchase on DVD; please go to **www.registrar.ualberta.ca/memorabilia**.

Honorary Degree Recipient

CONGRATULATIONS

Jacob Heskel Masliyah

Jacob Masliyah's outstanding contributions to research and teaching over his 35-year career have transformed the energy economy of Alberta and Canada. His pioneering advances in the area of bitumen extraction from oil sands have positioned Alberta as a world leader in colloid and surface science.

Dr. Masliyah received his chemical engineering education at University College London in England, the University of New Brunswick and the University of British Columbia. He began his work on oil sands extraction when he arrived at the University of Alberta in 1977. His research evolved from fluid mechanics to fluid-particle dynamics to colloidal science. He continuously added new dimensions to his work to address key issues in water and energy efficiency.

Dr. Masliyah's research has been recognized by numerous awards including the Alberta Science and Technology Award for Excellence in Oil Sands Research, the J. Gordin Kaplan Award for Excellence in Research from the University of Alberta and the Frank Spragins Technical Award from the Association of Professional Engineers and Geoscientists of Alberta. He also won the NSERC/Conference Board of Canada Synergy Award.

He is a Fellow of the Royal Society of Canada and the Canadian Academy of Engineering. In 2008 he was inducted into the Order of Canada. In 2011, he was elected Foreign Associate of the US National Academy of Engineering, among the highest professional distinctions accorded to an engineer worldwide.

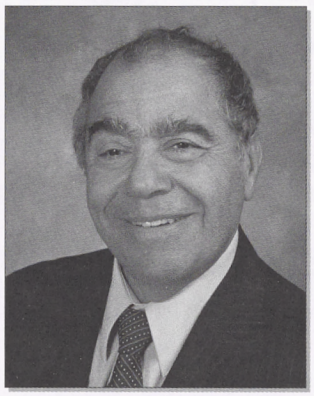

Dr. Masliyah has published more than 350 peer-reviewed papers and has written three books: *Electrokinetic Transport Phenomena*; *Electrokinetic and Colloid Transport Phenomena* with Subir Bhattacharjee; and *Handbook on Theory and Practice of Bitumen Recovery from Athabasca Oil Sands: Volume I —Theoretical Basis* with Jan Czarnecki and Zhenghe Xu. Volume II of the handbook on *Industrial Practice* will be published this year.

An internationally recognized researcher, Dr. Masliyah is also an outstanding teacher who inspires students with his enthusiasm, passion and knowledge. He won the Rutherford Award for Excellence in Undergraduate Teaching in 1997. In that same year he also received the University Cup, the highest honour the University of Alberta bestows on a member of its academic staff. His value as a mentor and educator comes from a combination of academic excellence and practical experience, all of which he passes on to his students.

Another hallmark of Dr. Masliyah's career is his leadership in developing unique and exemplary academia-industry partnerships. In 1996, with support from Syncrude Canada Ltd., he established the first NSERC industrial research chair in oil sands engineering, which he held until 2008. The NSERC-IRC became the catalyst for a large number of industrial research chairs in the Faculty of Engineering.

The impact of Dr. Masliyah's research extends beyond engineering. His work has shown a way forward in the responsible development of Canada's oil sands, enabling the continued economic success of the industry while addressing key environmental issues. His research is a model for how enormous social and economic value may be generated through meticulous science and engineering grounded in the search for answers to real-world problems.

Consistently encouraging his students to tackle these problems and to develop the skills to surpass their teacher, Jacob Masliyah is a role model with an eye to the future.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Jacob Heskel Masliyah:

J.T. Henry. ***The Early and Later History of Petroleum****. Philadelphia: Jas B. Rodgers, 1873.*

This is the first edition of a comprehensive history of the earliest phases of the petroleum industry in North America. In addition to an early and authoritative account of the pioneering drill operations in the Drake well in Titusville, Pennsylvania, the book includes detailed information about several early producing properties and individual oil men. The frontispiece is a photograph that offers an expansive view of operations at the Phillips and Waterford Wells in 1861. Penned by a Titusville journalist based on his interviews with founding industry leaders, the text is peppered with photographs of oil men, tabulated data, and detailed statistics. The only reference to the Canadian oil industry is a brief and humorous account of the rags to riches to rags story of Hugh Nixon Shaw and the first Canadian gusher (in Enniskillen, Ontario, in 1862).

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

Order of Ceremonies, June 6

AFTERNOON CEREMONY, 3:00 PM

Presiding
The Chancellor
Ralph B. Young

Musical Prelude
Music is provided by the University of Alberta Convocation Band under the direction of Dr. Thomas Dust, BSc, BEd, MM, DME. Vocal accompaniment is by Gianna Read, a graduate from the Faculty of Arts. Please remain seated during the prelude.

Ceremonial Procession
Following the University of Alberta Cheer Song, the band will play a drum roll and the opening bars of the processional to signal the arrival of the Chancellor and other members of the Platform Party.

Members of the procession enter the auditorium in the following order:

Chief Marshal and Mace Bearer
Marshals
Chancellor
Chair of the Board of Governors
President and Vice-Chancellor
Government Minister
Vice-Presidents
Honorary Graduand and Presenter
Honorary Doctors of the University
Alumni Association Officer
Deans of the Faculties
Registrar
Assistant Registrar
Members of the Judiciary
Governors of the University
Senators of the University
Representatives of Governments
Representatives of Postsecondary Institutions
Faculty of the University

National Anthem
O Canada! Our home and native land!
True patriot love in all thy sons command.
Car ton bras sait porter l'épée, (With glowing hearts we see thee rise)
Il sait porter la croix! (The True North strong and free)
Ton histoire est une épopée (From far and wide, O Canada)
Des plus brillants exploits. (We stand on guard for thee)
God keep our land glorious and free!
O Canada! We stand on guard for thee.
O Canada! We stand on guard for thee.

Invocation
Mr. Ralph B. Young
Chancellor

Welcome to the University
Mr. Ralph B. Young

President's Address
Dr. Indira V. Samarasekera, O.C.

Convocation Address
Dr. Jacob Heskel Masliyah
Spring Honorary Degree Recipient (see page 28)

Introduced by Dr. David Lynch
Dean, Faculty of Engineering

Conferring of Degrees
Chancellor Ralph B. Young
(Follow along on Page 5)

The Presentation
Professor D. T. Lynch, Dean, Faculty of Engineering

The Pledge
President

The Admission
Chancellor

Presentation of Graduates
The graduates are presented individually to the Chancellor in alphabetical order according to the seniority of their faculty and the establishment date of each program.

Faculty of Engineering
Professor D.T. Lynch, Dean

Doctor of Philosophy
Master of Science
Master of Engineering
Bachelor of Science in Computer Engineering
Bachelor of Science in Electrical Engineering
Bachelor of Science in Mechanical Engineering
Bachelor of Science in Engineering Physics

Conferral of Degrees in Absentia
Professor D. T. Lynch, Dean
Faculty of Engineering

Congratulatory Remarks
Dr. Indira V. Samarasekera, O.C.

Je te retrouve - I remember you
Music and lyrics by France Leavasseur-Ouimet

Alumni Association Induction
Ms. Susan Ancel,
Alumni Council Representative

Concluding Remarks
Mr. Ralph B. Young

Recession

Members of the audience are requested to remain at their places until the Platform Party and the graduates have recessed.

Those graduates who would like a photograph with the Chancellor may meet him in the east end of the main floor foyer by the Special Collections display.

The Chancellor will be available for approximately twenty minutes following the conclusion of the ceremony.

Commemorative Videos of your Convocation Ceremony are available for purchase on DVD; please go to **www.registrar.ualberta.ca/memorabilia**.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

- Marshals
- Chancellor
- Chair of the Board of Governors
- President and Vice-Chancellor
- Government Minister
- Vice-Presidents
- Honorary Graduand and Presenter
- Honorary Doctors of the University
- Alumni Association Officer
- Deans of the Faculties
- Registrar
- Assistant Registrar
- Members of the Judiciary
- Governors of the University
- Senators of the University
- Representatives of Governments
- Representatives of Postsecondary Institutions
- Faculty of the University

National Anthem
O Canada! Our home and native land!
True patriot love in all thy sons command.
Car ton bras sait porter l'épée, (With glowing hearts we see thee rise)
Il sait porter la croix! (The True North strong and free)
Ton histoire est une épopée (From far and wide, O Canada)
Des plus brillants exploits. (We stand on guard for thee)
God keep our land glorious and free!
O Canada! We stand on guard for thee.
O Canada! We stand on guard for thee.

Invocation

University of Alberta Medicine Graduation Oath

Eminent Chancellor and President, I present to you the graduates of the Doctor of Medicine degree and ask them to declare the Graduation Oath.

(the MD graduates reply):

I do hereby swear this oath before my friends, colleagues and family.

I will endeavour to provide the highest quality of care for my patients.

I will provide information enabling my patients to make decisions and recognize their right to accept or refuse medical treatment according to their own values.

I will never exploit my relationship with my patients and their families, and I will treat them with dignity and respect.

I will protect the privacy of my patients.

I will interact in a considerate manner with others providing patient care.

I will not tolerate discrimination.

I will not engage in medical care which I feel is unethical.

I will henceforth remain a student, that I may expand and refine my knowledge, skills and attitudes.

I will recognize my limitations and seek aid when my expertise falls short of my patients' needs.

I make these promises solemnly, freely and upon my honor in the noble traditions of the Art of Medicine.

Dentistry and Dental Hygiene

Dr. P. Major, Chair, Department of Dentistry

University of Alberta Dentistry and Dental Hygiene Graduation Oath

Eminent Chancellor and President, I present to you the graduates of the Doctor of Dental Surgery and Dental Hygiene programs and ask them to declare the Graduation Oath.

(The Graduates reply:)

This oath I take upon my honor having been admitted to the professions of Dentistry or Dental Hygiene, before this assembly, in accordance with the tradition of Hippocrates.

I will use my professional knowledge and skills in service to human health by:

Promoting health and healing and reducing suffering to enhance the well being of those entrusted to my professional care.

Acting responsibly to gain understanding of patients' needs, maintain ethical confidentiality and provide respectful and informed counsel and care.

Willingly sharing the art and science of my profession supported by a commitment to lifelong professional learning.

Committing myself to the development of my professional skills to the perpetual objective of providing excellence of service to patients.

Honoring the tenets associated with my profession.

Congratulatory Remarks

Dr. Indira V. Samarasekera, O.C.

Concluding Remarks

Mr. Ralph B. Young

Recession

Members of the audience are requested to remain at their places until the Platform Party and the graduates have recessed.

Those graduates who would like a photograph with the Chancellor may meet him in the east end of the main floor foyer by the Special Collections display. The Chancellor will be available for approximately twenty minutes following the conclusion of the ceremony.

Commemorative Videos of your Convocation Ceremony are available for purchase on DVD; please go to **www.registrar.ualberta.ca/memorabilia**.

Honorary Degree Recipient

CONGRATULATIONS

Lincoln C. Chen

Dr. Lincoln C. Chen has channeled his skills as a doctor, academic and policy advisor to the transformation of international health and development.

Dr. Chen is the President of the China Medical Board. Started in 1914, the Board was endowed by John D. Rockefeller as an independent American foundation to advance health in China and Asia by strengthening medical education, research and policy.

He graduated from Princeton University (BA), Harvard Medical School (MD), and the Johns Hopkins School of Hygiene and Public Health (MPH).

Dr. Chen was the founding director of the Harvard Global Equity Initiative (2001-2006), the Taro Takemi Professor of International Health and Director of the University-wide Harvard Center for Population and Development Studies (1987-1996). In 1997-2001, Dr. Chen served as Executive Vice-President of the Rockefeller Foundation, and from 1973-1987 he represented the Ford Foundation in India and Bangladesh.

Five years ago, Dr. Chen assumed the Chair of the Board of BRAC (formerly Bangladesh Rural Advancement Committee) USA, having completed two three-year terms as Chair of the Board of CARE/USA. BRAC Bangladesh and BRAC International constitute members of an organizational alliance that is the world's largest NGO addressing poverty in a dozen countries in Africa and Asia. BRAC's work touches the lives of an estimated 126 million people, using tools like microfinance, education, healthcare, legal services and community empowerment to create an ecosystem in which the poor have the chance to seize control of their own lives.

Dr. Chen was the co-founder of the NGO Forum, a regular informal exchange to promote cooperation among presidents of the world's leading NGOs. Dr. Chen also serves at Harvard as Co-Chair of the Advisory Committee to the FXB Center on Health and Human Rights, the Advisory Board of the Harvard Ministerial Leadership Forum and a Fellow at the Harvard Asia Center. He is a member of the Harvard School of Public Health Visiting Committee.

In addition, he is a member of the Board of the Institute of Metrics and Evaluation (University of Washington), the Public Health Foundation of India, and the UBS Optimus Foundation. He was the Special Envoy of the WHO Director-General in Human Resources for Health (2004-2007), and the Founding Chair of the Global Health Workforce Alliance (2006-2008).

Dr. Chen was co-chair of the independent global commission on "Education of Health Professionals for the 21st Century" published by The Lancet in December 2010. The report makes a powerful case for a transformation of health sciences education and health services delivery to meet changing societal demands.

Dr. Chen is a member of the National Academy of Sciences' Institute of Medicine, the American Academy of Arts and Sciences, the World Academy of Arts and Sciences, and the Council on Foreign Relations.

The global reach of Lincoln C. Chen's contributions to health care, education and public policy reflect a lifelong commitment to the uplifting of the lives of ordinary people, especially the world's poor and disadvantaged.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Lincoln C. Chen:

Richard Reece. ***The Medical Guide, for the use of the Clergy, Heads of Families, and Practitioners in Medicine and Surgery.*** *London: Longman, Hurst, Rees, Orme, and Brown, 1820.*

This practical medical guide is a treatise on the symptoms, causes, prevention, and cure of the diseases known to afflict the human condition. Richard Reece (1775–1831) was a British physician who developed a sizable practice in London and researched the medicinal properties of plants. Reece wrote several books on medical topics, and in 1799 the Royal Humane Society awarded him with its silver medal for his exceptional medical services. This copy is handsomely bound in a crimson morocco presentation binding with elaborate gilt decorations on the boards and spine.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

National Anthem
O Canada! Our home and native land!
True patriot love in all thy sons command.
Car ton bras sait porter l'épée, (With glowing hearts we see thee rise)
Il sait porter la croix! (The True North strong and free)
Ton histoire est une épopée (From far and wide, O Canada)
Des plus brillants exploits. (We stand on guard for thee)
God keep our land glorious and free!
O Canada! We stand on guard for thee.
O Canada! We stand on guard for thee.

Honorary Degree Recipient

CONGRATULATIONS

Louise A. Miller

Dynamic, direct and determined – Louise Miller has championed the advancement of research, technology, advocacy, health care and education related to spinal cord injuries.

Ms. Miller earned her BSc in Nursing in 1972 and later her MBA. In 1978, she became the first female non-politician elected to the board of directors of the Royal Alexandra Hospital, serving five years of her six-year term as vice-chair.

In 1984, Ms. Miller suffered a spinal cord injury that resulted in paraplegia – this experience served as the catalyst for a lifetime of advocacy for people with disabilities. She chaired the City of Edmonton Task Force on Persons with Physical Disabilities that led to the establishment of the City of Edmonton Advisory Board for People with Disabilities. Ms. Miller served as chair for six years, and during her tenure the city earned three national awards for improving accessibility to services and civic buildings.

While serving as vice-chair of the Canadian Paraplegic Association, Alberta, she also played an instrumental role on the subcommittee that eventually formed the Alberta Paraplegic Foundation to fund spinal cord injury research.

In 1993, Ms. Miller was appointed a member of the Canadian Federation of Municipalities Task Force with the goal of creating a "how to manual" for member municipalities to address the needs of citizens with disabilities.

A co-founder of the Spinal Cord Injury Treatment Centre Society (SCITCS) in 1987, Ms. Miller has continued to provide integral leadership and direction for the society for more than 25 years. Volunteering countless hours, she has pioneered efforts to acquire functional electrical stimulation (FES) technology to increase opportunities for people with disabilities to stand, walk, bike and row. In 1993 she spearheaded the pioneering efforts of both the Functional Electric Stimulation (FES) Clinic and the SCITCS FES Research Laboratory at the University of Alberta, all with the knowledge that she herself is unable to use FES technology.

Following the deaths of actor Christopher Reeves and a local politician, Ms. Miller initiated a meeting attended by senior decision makers from health services, treatment hospitals and the community to advance understanding and clinical treatment through collaborative solutions. This has led to new research into deep pressure ulcers, a serious side effect of paralysis. In 2011 she initiated a partnership with the University of Alberta Faculty of Physical Education and Recreation to provide an inclusive FES exercise program, moving research into the community.

An inspiring speaker and teacher, she designed and taught a course "Interpersonal Communication in Business" for 32 years. Describing herself as a "catalyst, a broker who brings people together to get things done," in 2000 she produced a bestseller book entitled "Daring to Live."

Her awards include the Alberta Order of Excellence, YWCA Woman of Distinction Award, Canadian Rehabilitation Council for the Disabled Award for Exceptional Leadership and the University of Alberta Alumni Award of Excellence.

A member of the Order of Canada, she has also received Medals of Honour from the Alberta Medical Association and the Canadian Medical Association. Deeply committed to education and advocacy, she consistently seeks the betterment of human life.of a strong, responsible, compassionate and internationally engaged Canada.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Louise A. Miller.

Sande Wascher-James. ***In Your Hands.*** *Whidbey Island, WA: Washer-James, 2010.*

A limited edition artist's book in which hand-shaped floral fabric pages, made of Lutradur (also called "rainbow spun"), are digitally printed and hand painted. The artist uses words and images to celebrate exceptional women throughout history who have taken matters into their own hands and changed the world for the better. The text is taken from a speech, entitled "In Your Hands," which Eleanor Roosevelt delivered at the United Nations on 27 March 1958 to commemorate the tenth anniversary of the Universal Declaration of Human Rights. In addition to Roosevelt, the images in this book honour a remarkable group of women, including Ida B. Wells, Susan B. Anthony, Helen Keller, and Anne Sullivan. The book is housed in a custom-made box of hand-made paper over boards. Signed and numbered by the artist, this copy is #7 in an edition of 18 copies.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

National Anthem
O Canada! Our home and native land!
True patriot love in all thy sons command.
Car ton bras sait porter l'épée, (With glowing hearts we see thee rise)
Il sait porter la croix! (The True North strong and free)
Ton histoire est une épopée (From far and wide, O Canada)
Des plus brillants exploits. (We stand on guard for thee)
God keep our land glorious and free!
O Canada! We stand on guard for thee.
O Canada! We stand on guard for thee.

Honorary Degree Recipient

CONGRATULATIONS

Margaret-Ann Armour

One of Canada's premier ambassadors of science, Dr. Margaret-Ann Armour is a recognized leader in raising national awareness among students, educators, parents and employers of the importance of encouraging women to enter science and engineering.

Born in Scotland and educated at Edinburgh University (BSc, MSc), and the University of Alberta (PhD), Margaret-Ann Armour joined the Chemistry Department at the University of Alberta in 1979, and from 1989 to 2005, was Assistant Chair of the Department. Since 2005, she has been Associate Dean of Science, Diversity.

Dr. Armour has been active professionally in both teaching and research. Her love of engaging students in chemistry was rewarded in 1996 with a 3M National Teaching Fellowship, Canada's premier award for undergraduate teaching. Her research and teaching focused on Environmental Chemistry especially methods for the management and disposal of small quantities of hazardous chemicals.

Dr. Armour has presented talks on her work to many groups of small quantity generators of hazardous waste in North America and throughout Asia. She is member of the Board of the Pacific Basin Consortium for Health and Environmental Sciences and has been a Scientific Advisor to the Asian Association for Academic Activity on Waste Management. Her group received the Alberta Environment Award for their work.

Outside her professional career, Dr. Armour has encouraged young women to consider careers in the sciences and engineering. She is a founding member and past Vice-Chair of WISEST (Women in Scholarship, Engineering, Science and Technology) at the University of Alberta. In 1994, WISEST won a Michael Smith Award for the promotion of science, and in 1996, the Excellence in Science and Technology Public Awareness Prize from the Alberta Science and Technology Leadership Awards Foundation (ASTech).

She is a past chair of the Canadian Coalition of Women in Science, Engineering, Trades and Technology and is currently President of the Board of the recently launched Canadian Centre for Women in Science, Engineering, Trades and Technology. She also chairs the Board of St. Stephen's College on the University of Alberta campus.

Dr. Armour has shared her enthusiasm for chemistry not only with young women but also with students from kindergarten through high school and with a variety of community groups. For her outreach activities she received the McNeil medal of the Royal Society of Canada and Maclean's Magazine named her to their 2003 honour roll as one of ten Canadians making a difference. She was made a member of the Order of Canada in 2006.

Her recent awards include the American Chemical Society award for Encouraging Women into the Chemical Sciences, the Montreal Medal of the Chemical Institute of Canada and a Governor General's Award in Commemoration of the Person's Case.

Twice named one of the top 100 most powerful women in Canada by the Women's Executive Network, Dr. Armour has also received the Lois E Hole award from the Edmonton YWCA and an Innovator Award at the 2011 Asia-Pacific Economic Cooperation (APEC) Summit on Women in the Economy.

A distinguished member of international scientific community and a tireless volunteer, Margaret-Ann Armour seeks to inspire the human spirit.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Margaret Ann Armour:

Sarah Anne Curzon. ***Laura Secord, the Heroine of 1812, a Drama, and Other Poems.*** *Toronto: C. Blackett Robinson, 1887.*

This charming first edition contains two dramas of enduring interest. "Laura Secord, the Heroine of 1812" is a historical drama which was first published in this 1887 collection. Popular and influential in its time, the drama did exactly what it set out to do, and that was "to rescue from oblivion the name of a brave woman, and set it in its proper place among the heroes of Canadian history." Of perhaps even greater interest is a short comedy entitled "The Sweet Girl Graduate." First published in a periodical in 1882, this popular comedy was a key component in the high-profile campaign that resulted in women being admitted to the University of Toronto for the first time in 1883. "The Sweet Girl Graduate" is a lighthearted story about a witty young woman who dresses in "mannish garb" (127) and adopts a male persona in order to overcome the restrictions that then prevented women from attending university, only revealing her true identity only after earning a degree with highest honours.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

Honorary Degree Recipient

CONGRATULATIONS

Edward Michael Stelmach

Known for his integrity, humility and down-to-earth approach, Ed Stelmach's life and work reflect a deep knowledge of and respect for Alberta's potential. He and his wife Marie continue to live on the homestead founded by his grandparents in 1898.

Mr. Stelmach was sworn in as Alberta's 13th Premier on December 14, 2006. On March 8, 2008 he won an overwhelming mandate, the largest ever for a first-time Premier, in a general election that saw the number of Progressive Conservative MLAs in the Legislative Assembly rise to 72 out of 83.

Mr. Stelmach has a long record of public and community service. He served as a school trustee, chair of the Vegreville Health Unit and as a hospital board member. He also served as a councillor and reeve of Lamont County. First elected in 1993 as MLA in the Vegreville-Viking constituency, he was elected to his fifth term as MLA in 2008, serving the people of the renamed Fort Saskatchewan constituency. Before becoming Premier, he held four cabinet positions in the portfolios of Agriculture, Infrastructure, Transportation, and International and Intergovernmental Relations.

As Premier, Ed Stelmach led a government that managed through the challenges of a boom and bust cycle while making long term decisions to build critically needed infrastructure in communities across the province. He guided the province in establishing Canada's largest barrier-free interprovincial market. The signing of the Trade, Investment and Labour Mobility Agreement with British Columbia in 2007, followed by the launching of the New West Partnership Trade Agreement in 2010 that brought Saskatchewan into the partnership, heralded the west's growing leadership role in the national economy. He also worked to grow trade with the United States and Asia. Under his tenure Alberta's Sustainability Fund grew by 12 billion dollars and was re-invested into infrastructure deficits across the province, keeping many Albertans working while taking advantage of a competitive bidding environment.

Under his leadership, programs like the Bitumen-Royalty-in-Kind and the technology commercialization strategy were undertaken to add value to Albertan's natural resources and to diversify Alberta's economy. Mr. Stelmach's government introduced the Green Trip program for LRT and transit, as well as the Municipal Sustainability Initiative to build community infrastructure like roads, recreation centres, libraries, and cultural facilities all across Alberta. Alberta also saw advances in environmental policy with the creation of Canada's Carbon Emissions legislation to reduce greenhouse gas emissions and to spur research into emission's management technologies.

Mr. Stelmach championed the need of the homeless, lower income Albertans and seniors for safe, affordable accommodations. Some 11,600 affordable units were created between 2007 and 2012, exceeding the government's commitment. More than 22,000 lower-income Albertans now have a safe and affordable place to call home and over 9,000 full and part-time jobs were created as a result of this investment. Programs like the Affordable Supportive Living Initiative helped create supportive living and lodge spaces across the province for Alberta seniors.

Mr. Stelmach also sought to advance the cause of democratic renewal. The first bill introduced in his first session as Premier was the Lobbyist's Act that created Alberta's first lobbyist registry.

Committed to principled leadership, Ed Stelmach exemplifies the highest levels of dedication to public service.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Edward Stelmach:

Farming and Ranching in the Canadian North-West. *Canadian Pacific Railway, 1889.*

This charming booklet offers "a general account of Manitoba and the Northwest Territories" and strongly asserts that the region offers "superior advantages for agricultural settlers." It covers a range of practical topics from climate and health to fuel sources and farming practices, all in a way that is designed to promote settlement in the "unrivalled ranching districts" of the Canadian North-West. Included are numerous personal statements from "actual settlers" addressed either to the prospective settler or to Land Commissioner L.A. Hamilton, in Winnipeg, offering a range of information and a great deal of enthusiasm. For example, H.C. Gilmour of Moose Jaw writes that "a man with energy, some knowledge of farming, and a little means to start with, can scarcely fail to do well out here" (71). While we may be amused at this type of boosterism today, this booklet offers us a glimpse of life in the Canadian west late in the nineteenth century. Special design elements – the unusual cover design, the full-page photographs of ranches and other western scenes, and the two pullout maps – give this particular Canadian Pacific publication a character all its own.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

National Anthem
O Canada! Our home and native land!
True patriot love in all thy sons command.
Car ton bras sait porter l'épée, (With glowing hearts we see thee rise)
Il sait porter la croix! (The True North strong and free)
Ton histoire est une épopée (From far and wide, O Canada)
Des plus brillants exploits. (We stand on guard for thee)
God keep our land glorious and free!
O Canada! We stand on guard for thee.
O Canada! We stand on guard for thee.

Recession

Members of the audience are requested to remain at their places until the Platform Party and the graduates have recessed.

Those graduates who would like a photograph with the Chancellor may meet him in the east end of the main floor foyer by the Special Collections display. The Chancellor will be available for approximately twenty minutes following the conclusion of the ceremony.

Commemorative Videos of your Convocation Ceremony are available for purchase on DVD; please go to **www.registrar.ualberta.ca/memorabilia**.

Honorary Degree Recipient

CONGRATULATIONS

James Balog

For three decades, James Balog has been a leader in photographing and interpreting the natural environment. An avid mountaineer with a graduate degree in geography and geomorphology, Mr. Balog is equally at home on a Himalayan peak or a whitewater river, the African savannah or polar icecaps.

To reveal the impact of climate change, Mr. Balog founded the Extreme Ice Survey (EIS), the most wide-ranging, ground-based, photographic study of glaciers ever conducted. The project is featured in the highly acclaimed documentary *Chasing Ice*, which won the award for Excellence in Cinematography at the 2012 Sundance Film Festival, as well as dozens of awards at film festivals worldwide.

Chasing Ice was shortlisted for the 2013 Academy Awards. It has been screened at The White House, the U.S. Congress, the U.K. House of Commons and the United Nations. It has also been the subject of features on the NBC *Evening News*, ABC *Nightline*, *The Late Show with David Letterman*, PBS's *Moyers & Company*, and *Real Time with Bill Maher*.

Mr. Balog has received numerous awards, including the Heinz Award, the Missouri School of Journalism's Honor Medal for Distinguished Service, the Aspen Institute's Visual Arts & Design Award, and the North American Nature Photography Association's "Outstanding Photographer of the Year" award.

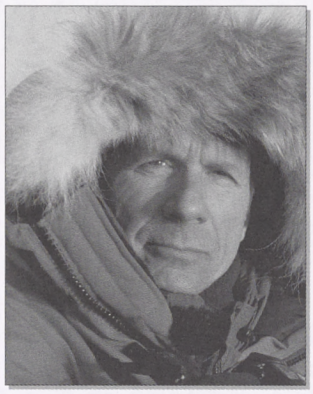

He is the author of eight books. *ICE: Portraits of Vanishing Glaciers* was published by Rizzoli in 2012. Among his other titles are *Tree: A New Vision of the American Forest* (2004) and *Survivors: A New Vision of Endangered Wildlife* (1990), hailed as a major conceptual breakthrough in environmental photography.

His work is in dozens of public and private art collections, including the Museum of Fine Arts Houston, the Corcoran Gallery, the Denver Art Museum and the Gilman Paper Company. It has been extensively published in most of the world's major pictorial magazines including *The New Yorker*, *National Geographic*, *Life*, and *Vanity Fair*. *National Geographic* showcased EIS in major features in 2007 and 2010. EIS is also the subject of a 2009 NOVA/PBS documentary, *Extreme Ice*.

The following excerpt from Mr. Balog's message on his website — jamesbalog.com — reveals some of his perspective: "Combining insights of art and science, my creative team and I strive to produce innovative, dynamic and sometimes even shocking interpretations of our changing world… Ultimately, we hope that our art not only touches the human spirit, but shifts perception of humanity's relationship to the natural environment — a shift that is the vital ingredient for sustainable living on a finite planet."

Mr. Balog lives in the Rocky Mountains, near Boulder, Colorado, with his wife and two daughters.

In seeking to document the complex mechanisms driving environmental change, James Balog continues to challenge our understanding of truth and beauty.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to James Balog:

Joan M. Collins. ***Rivers of Ice.*** *Vancouver: Joan M. Collins, 2000.*

This deluxe artist's book is a visual journal comprised of 14 paintings of glaciers and accompanying text created by the artist when she was an "artist in residence" at the Columbia Icefield in the Canadian Rockies. The paintings and writing were made on delicate loose sheets of translucent Mylar with graphite and watercolour inks, which are interleaved with gorgeous hand-made tissue guards. The artwork is housed in a lovely clamshell box, constructed by Claudia Wober, with Japanese silk weave binding cloth and the title engraved on a silver plaque on the cover. In her prologue, the artist reflects on what it was like to be inspired by glaciers in the Rocky Mountains: "The rewards for working in such a landscape are immense—instant rainbows after thundershowers, fields carpeted with wild flowers, the constant and ever changing micro-climate of the glaciers, the tiniest of life forms surviving in the most barren of locations. It is this vista and the enigma of my memories that intrigue and call me to seek new expressive forms through which these mysteries can be shared with the unknown viewer." Only one copy of this magnificent book was made.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

Musical Prelude
Music is provided by the University of Alberta Convocation Band under the direction of Dr. Thomas Dust, BSc, BEd, MM, DME. Vocal accompaniment is by Andrea Vogel, a graduand from Faculté Saint-Jean. Please remain seated during the prelude.

Ceremonial Procession
Following the University of Alberta Cheer Song, the band will play a drum roll and the opening bars of the processional to signal the arrival of the Chancellor and other members of the Platform Party.

Members of the procession enter the auditorium in the following order:

Chief Marshal and Mace Bearer
Marshals
Chancellor
Chair of the Board of Governors
President and Vice-Chancellor
Government Minister
Vice-Presidents
Honorary Graduand and Presenter
Honorary Doctors of the University
Alumni Association Officer
Deans of the Faculties
Registrar
Assistant Registrar
Members of the Judiciary
Governors of the University
Senators of the University
Representatives of Governments
Representatives of Postsecondary Institutions
Faculty of the University

National Anthem
O Canada! Our home and native land!
True patriot love in all thy sons command.
Car ton bras sait porter l'épée, (With glowing hearts we see thee rise)
Il sait porter la croix! (The True North strong and free)
Ton histoire est une épopée (From far and wide, O Canada)
Des plus brillants exploits. (We stand on guard for thee)
God keep our land glorious and free!
O Canada! We stand on guard for thee.
O Canada! We stand on guard for thee.

Invocation
Mr. Ralph B. Young
Chancellor

Honorary Degree Recipient

CONGRATULATIONS

Ian Stirling

One of Canada's leading experts in polar bear research, Ian Stirling has created a lineage of scientific expertise that will serve all who care about the wonders of the Arctic.

Dr. Stirling grew up in a small mining town in the mountains of southeastern British Columbia in the 1950s. Being surrounded at a young age by a wilderness environment filled with outdoor activities, mountains and natural history likely had a significant influence in the development of his life-long career in wildlife research.

He completed his BSc and MSc in zoology at the University of British Columbia in Vancouver before shifting to the other side of the world to the University of Canterbury in Christchurch, New Zealand. There, he studied the population ecology of Weddell seals in McMurdo Sound, Antarctica for his PhD. After completing his doctorate, he spent a year and a half in Australia, studying fur seals and sea lions as a Nuffield Research Fellow at the University of Adelaide.

In 1970, he returned to Canada to conduct research on polar bears and their ecological relationships with seals and sea ice for the Canadian Wildlife Service, which he did until retirement 37 years later in 2007. In 1979, he became an Adjunct Professor in the Department of Biological Sciences at the University of Alberta where, for over 30 years, he guest-lectured and ran a graduate research program for MSc and PhD students, focusing on polar bears and seals.

Currently, he is a Research Scientist Emeritus with Environment Canada and continues as an Adjunct Professor at the University of Alberta. He has conducted research on polar bears throughout the Canadian Arctic for 43 years and polar seals (Arctic and Antarctic) for 47 years. His particular interests include ecology, behaviour, relationships between predators and prey species, conservation of polar marine mammals and ecosystems, and the effects of climate warming on polar bears and seals.

For the last seven years he has continued to feed his addiction to polar regions by working part-time as a lecturer and naturalist guide on ecotourism ships in both the Norwegian Arctic (Svalbard) and the Antarctic. He has authored or co-authored over 250 scientific articles and five books on bears for the general public. His most recent book (2011) is "Polar Bears: The Natural History of a Threatened Species".

For his work, he has won several awards including the Northern Science Award. An Officer of the Order of Canada and an elected Fellow of the Royal Society of Canada, he and his wife Stella have three children and six grandchildren.

Dr. Stirling has worked closely with Inuvialuit hunters to incorporate traditional knowledge and perspectives into his research, contributing to an enduring legacy of co-management in northern communities. He is widely respected for his commitment to weighing and balancing all information and perspectives.

Ian Stirling's life and work reveal an uncommon devotion to the pursuit of whatsoever things are true.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Ian Stirling:

Jim Kjelgaard. ***Kalak of the Ice.*** *New York: Holiday House, 1949.*

This delightful book chronicles the life of a female polar bear named Kalak and her many adventures raising her cubs and showing them how to fend for themselves in the far north. Jim Kjelgaard (1910–1959) was an American author who wrote more than forty novels and numerous short stories; he became famous with his story of a boy and his Irish setter in Big Red (1945), which was made into a Walt Disney film in 1962. Kalak of the Ice has many fine black-and-white illustrations of polar bears by renowned wildlife painter Bob Kuhn (1920–2007), but the colourful dust jacket scene of Kalak leading her cubs across the ice is especially attractive. This highly collectible book is difficult to find with the dust jacket in such fine condition.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

MORNING CEREMONY, 10:00 AM

Presiding
The Chancellor
Ralph B. Young

Musical Prelude
Music is provided by the University of Alberta Convocation Band under the direction of Dr. Thomas Dust, BSc, BEd, MM, DME. Vocal accompaniment is by Andrea Vogel, a graduate from Faculté Saint-Jean. Please remain seated during the prelude.

Ceremonial Procession
Following the University of Alberta Cheer Song, the band will play a drum roll and the opening bars of the processional to signal the arrival of the Chancellor and other members of the Platform Party.

Members of the procession enter the auditorium in the following order:

Chief Marshal and Mace Bearer
Marshals
Chancellor
Chair of the Board of Governors
President and Vice-Chancellor
Government Minister
Vice-Presidents
Honorary Graduand and Presenter
Honorary Doctors of the University
Alumni Association Officer
Deans of the Faculties
Registrar
Assistant Registrar
Members of the Judiciary
Governors of the University
Senators of the University
Representatives of Governments
Representatives of Postsecondary Institutions
Faculty of the University

National Anthem
O Canada! Our home and native land!
True patriot love in all thy sons command.
Car ton bras sait porter l'épée, (With glowing hearts we see thee rise)
Il sait porter la croix! (The True North strong and free)
Ton histoire est une épopée (From far and wide, O Canada)
Des plus brillants exploits. (We stand on guard for thee)
God keep our land glorious and free!
O Canada! We stand on guard for thee.
O Canada! We stand on guard for thee.

Invocation
Mr. Ralph B. Young
Chancellor

Welcome to the University
Mr. Ralph B. Young

Board of Governors Greetings
Mr. Douglas O. Goss
Chair, Board of Governors

Honorary Degree Recipient

CONGRATULATIONS

Honourable James Prentice

The accomplishments of the Honourable Jim Prentice reveal an enduring commitment to public service and leadership.

Mr. Prentice is the Senior Executive Vice President and Vice Chairman of CIBC, having joined the bank in January of 2011. In this role, he is responsible for expanding CIBC's relationships with corporate clients across Canada and internationally, as well as providing leadership on strategic initiatives.

Mr. Prentice was born in South Porcupine, Ontario in 1956. His family moved to Alberta in 1969 and upon graduation from high school in Grande Cache in 1974, he attended the University of Toronto and the University of Alberta. In 1977, he graduated from the University of Alberta with a Bachelor of Commerce - With Distinction. He then attended Dalhousie University as a Dunn Scholar, receiving his Bachelor of Laws in 1980.

He financed his university education by working 'under the bins' in the coal mines of southern Alberta.

Mr. Prentice practiced law in Calgary, Alberta for more than 20 years, specializing in the litigation of property rights and the resolution of Aboriginal land claims. During that time he was also involved in a wide range of community, philanthropic and political activities at both the provincial and national level. He was designated as a Queen's Counsel in 1992 and served as the Co-Chair of Canada's Indian Claims Commission from 1993 to 2002.

Mr. Prentice ran for the national leadership of the Progressive Conservative Party in 2003 and was subsequently elected to the House of Commons as the Member of Parliament for Calgary North Centre in 2004. He was re-elected in 2006 and 2008.

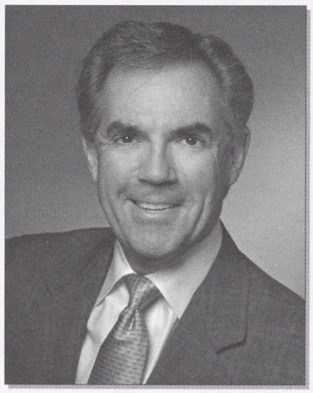

From 2006 to 2010, he served as one of the most senior Ministers in the Canadian Government. Throughout that time he chaired the important Operations Committee of Cabinet and served variously as the Minister of Industry, the Minister of the Environment and the Minister of Indian Affairs and Northern Development. During his tenure, he also sat as a member of the Priorities Committee of Cabinet. Upon his retirement from public life in late 2010, the Prime Minister of Canada spoke in the House of Commons and described Mr. Prentice's role as that of the 'Chief Operating Officer of the Government of Canada'.

Mr. Prentice spearheaded many initiatives and in particular, managed the government's environmental, energy and climate change agenda through to the Copenhagen Climate Conference. In that capacity he also served as Canada's principal intermediary on the Clean Energy Dialogue with the administration of President Obama.

Mr. Prentice continues to be a passionate conservationist and his tenure as Canada's Minister of Environment was marked by a dramatic expansion of Canada's National Park system.

Mr. Prentice is a member of the Board of Directors of Bell Canada (BCE Inc.) and is the Canadian Chairman of the Trilateral Commission. He serves as a Governor of Canada's Sports Hall of Fame and as a Governor of The Duke of Edinburgh's Awards.

The Honourable Jim Prentice is widely respected for an ability to negotiate with respect and lead with grace.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to the Honourable James Prentice:

Merchants' and Manufacturers' Record: Calgary, Sunny Alberta, the Industrial Prodigy of the Great West. *Calgary: Jennings Publishing Company, 1911.*

This splendid souvenir book has more than 100 black-and-white captioned photographs of Calgary in the early days of the twentieth century. Many familiar landmarks and locations are depicted, including the Hudson's Bay Company's downtown store, the Lougheed Building, and the Grain Exchange. Additional photographs of important architectural landmarks and street scenes show Calgary bustling with people and activity. These early photographs are an impressive pictorial record of the many diverse businesses that accounted for Calgary's rapid growth and affluence.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

Faculty of Extension

The Faculty of Extension delivers over 300 courses annually to 8,500 students; 25 percent of whom are international students. More than 300 experts teaching in the fields listed below bring real-world experience to our programs which dovetail with the research performed by the 20 members of the professoriate. This research, principally in the areas of communication, social sciences, linguistics, community development, and non-traditional learning, has established Extension as a leader in the Scholarship of Engagement (an academic domain that ties our historical mission with the vision for the future of the University of Alberta at large).

In the 21st century, the communities the Faculty engages reach far beyond this campus and province to a much larger global "community of communities" that is becoming increasingly more diverse in their cultures, perspectives, needs, and issues. As the University pursues and advances the process of community-university engagement, Extension brings unique perspectives, ongoing expertise, and plays a special role informing and advancing that process through continuing education.

Congratulations to the Faculty of Extension's graduates of 2013! Through your commitment to lifelong learning, you have made a positive impact in the communities where you work and live. You are the first graduating class of Extension's second century. As with every graduating class, today is a time when we celebrate your achievements, recognize your "coaches" and supporters, and reflect upon the uplifting power of knowledge, citizenship and action in our increasingly complicated world.

This year, there are over 850 graduates in the following Faculty of Extension programs:

Aboriginal Health Citation

Applied Geostatistics Citation

Applied Land Use Planning Certificate

Business Analysis Professional Citation

Certificate in Adult and Continuing Education

Certificate in Local Government in Municipal Administration

Citation for Teaching in English

Welcome to the Alumni Association

Congratulations! When you earn a University of Alberta degree you automatically become a member of the Alumni Association. Your Alumni Association works to keep you involved with the University and provide you with benefits such as:

- Invitations to Social Events
- Volunteer and Travel Opportunities
- Discounts on Tickets and Insurance
- Free Subscription to *New Trail* Magazine
- Career Advice and Support
- Networking Opportunities
- Seminars and Educational Opportunities

To access these benefits, please **keep your address updated.** If you are relocating, make sure the Alumni Association has your current address. Just e-mail *alumrec@ualberta.ca* or call the Office of Alumni Relations at 780-492-3224.

As a graduate of the University of Alberta you should be proud. You have joined the ranks of U of A alumni who have made remarkable contributions to the world.

In keeping with that tradition, your Alumni Association encourages you to bring honour to your University through your accomplishments, to celebrate the achievements of U of A grads and your University, and to stay involved with your alma mater.

We also encourage you to participate in alumni programs. To learn more, visit our website at www.ualberta.ca/alumni and find out how to:

- **Connect Online** – Join us on Twitter and LinkedIn, check out the Alumni Facebook page and sign up for e-Trail.
- **Have Fun and Relax** – Meet and mingle with other grads at alumni events after work.
- **Keep Learning** – Attend any of our *Educated* programs. We offer events discussing food, wine and other lifestyle necessities, as well as lectures from the U of A's most interesting researchers.
- **Save Money** – Receive better auto, home and life insurance rates.
- **Network** – Join an Alumni Chapter in Edmonton or in over 50 cities around the world.
- **Read *New Trail* and *e-trail*** – Keep up to date on the latest news about your alma mater, alumni events, and your fellow grads. Or submit a class note to share your own milestones with your classmates.

Academic Dress

All undergraduate and master's degree gowns are the customary Cambridge shape, i.e., a gown of black material falling below the knee with full sleeves cut to the elbow and terminating in a point.

Hoods are made in the Oxford pattern of spruce green material. The Bachelor's hood has a border three inches wide of the color distinctive of the Faculty as noted below. The Masters' hood has a full lining of the color distinctive of the Faculty also noted below. Mortarboards are the standard black trencher shape with black tassels, which are worn forward and to the left.

Doctorate Degrees

'Doctors' gowns (PhD, DMus, and EdD) conform to the Intercollegiate Code in design. They are made of black material and the velvet trim on the sleeves is Philosophy Blue for the PhD and DMus, and Education Light Blue for the EdD. Doctors' hoods conform to the Intercollegiate Code in shape, size, and color. They are made of black material to match the gown, and have a full lining of gold satin with a six-inch green satin chevron. The velvet trim distinguishes the two degrees and matches the velvet trim on the gown's sleeves. There is a narrow green piping where the gold lining joins the black material. Mortarboards are the standard black trencher shape with black tassels, which are worn forward and to the left.

Honorary Doctorates

Honorary Doctors of Laws (LLD), Letters (DLitt), and Science (DSc) wear a scarlet robe faced with white silk. Hoods are made in the Cambridge form of scarlet silk with a full lining of white silk. Caps are black velvet with a gold tassel.

Je te Retrouve - I Remember You

Music and lyrics by France Levasseur-Ouimet Ph.D.
Translation by France Levasseur-Ouimet and Laurier Fagnan

Bilingual version as it is actually sung (follow bold text). Gray text is translation of what is being sung

French *(1st verse and refrain, bridge and last refrain)*

1. Quand je pense a d'ou je viens
A cette route qui m 'a conduit a qui je suis
Quand je pense aux jours passes
Ton nom me vient comme un
refrain que j'aime chanter
Quand je pense a tous ces gens
qui ont laisse un coin d'ciel bleu
au fond de moi

Refrain
Je te retrouve,je te retrouve
Tu es les reves que j'invente
Tu es la musique que je chante
Tu es la force qui me soutient

Je te retrouve, je te retrouve
Tu es les mots que je compose
Tu es les gestes que je pose
Tu es la route qui m'a conduit
d'hier a demain, d'hier a
demain

2. Quand je retourne chez moi
Par habitude je refais tous les
memes pas
Quand je marche dans les rues
J'entends des voix qui font echo
au fond de moi
Quand je pense a cette langue
Qui me raconte, qui me recite et
qui me dit

Refrain
Je te retrouve, je te retrouve
Tu es les reves que j'invente
Tu es la musique que je chante
Tu es la force qui me soutient

Je te retrouve, je te retrouve
Tu es les mots que je compose
Tu es les gestes que je pose
Tu es la route qui m'a conduit
d'hier a demain, d'hier a demain

1. When I think of where I come from
Of the road that has led me to who I am
When I think of days gone by
Your name comes to me like a melody
that I want to sing
When I think of all the people
Who have left a piece of blue sky deep
inside of me.

Refrain
I remember you, I remember you
You are the source of my dreams
You are the music that I sing
You are the strength that sustains me
I remember you, I remember you
You are the words that I compose
You are the source of my every gesture
You are the road that has lead me
From yesterday to tomorrow
From yesterday to tomorrow

English *(verse 2 and 2nd refrain)*

2. You have made me who I am
Empowered me to seek and learn and
understand
You have taught me how to dream
To value hope, to search for truth and
honesty
Memories of youth and friends are like a song
That warms my heart and never ends

Refrain
I hear your name and I remember you
And all the years that have gone by
Cannot erase the sense of pride
That lingers deep within my soul.

I hear your name and I remember you
The words of those who showed the way
Revealed the course we'd have to stay
To build tomorrow from today
And all our dreams will carry on

Bridge
Tu es ma jeunesse
Tu es mes racines
Tu es mon histoire

Dernier refrain (deuxieme partie seulement)
Je te retrouve, je te retrouve
Tu es la source qui m'a nourri
Tu es la main qui m'a petri
Tu es la route qui m'a conduit
d'hier a demain
d'hier a demain

Bridge
You are my youth
You are my roots
You are my history

Last refrain
I remember you, I remember you
You are the source that has nourished me
You are the hand that has molded me
You are the road that has led me
From yesterday to tomorrow
From yesterday to tomorrow
